Debra Kay Frazell

March 14, 1956 - June 10, 2019

Debra Kay Frazell
March 1956 - June 2019
After a, courageous, 2-year battle with cancer, Debra passed away peacefully at Herman Memorial Hospital in The Woodlands. She was born and raised in Houston and graduated from Sharpstown High School. Debra earned her, Activities Director, certification and she devoted her career to increasing the quality-of-life of elders.
She was born to the late Clarence “Bill” and Betty Diebel, stepdaughter to James Shoffner, and a sister to Don Diebel and David Powell. Debra was the cherished wife of Jim Frazell for 11 of the happiest years of her life. She will forever be remembered by her beloved children Krisha & Brad Goodney and Jason & Jaimie Powell, treasured grandchildren Haley, Grant, and Rylee Goodney, Karly and Caleb Powell, along with countless other friends and family whom were blessed to know her.
Debra loved arts and crafts, blue-bonnets, Blue-Bell, and anything from Texas. She loved fishing and crabbing, laughing, being with her family, having fun with friends and spoiling her grandchildren.
While working, Debra would adopt every resident as her own mother or father, and she captivated every encounter with love and inspiration.
“Those we love don’t go away, they walk beside us every day, unseen, unheard, but always near, still loved, still missed and very dear”.

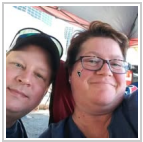
June 13, 2019 at 01:59 PM



I loved Debbie from the moment I met her! She and my mama share the same first and middle name so I knew she was a good soul! I learned a lot from my time working with her and we remained friends after! Heart of gold and so genuine! Jim I am praying for all of you because I know how much you will miss her, she will forever be your guardian angel!

CM

Dear Krisha, Brad and family: We are sending our thoughts and prayers to you and your family during this sad time. We pray your memories of your Mom will always make you smile and bring you comfort to know that she will always be by your side from up above.
Our love, Carolyn & Gary McClure
