“ There are a few relationships that last a lifetime and even fewer that start at work. Charles and Medardo Lozano started as a partnership at work but ended as life long brothers.

My father had very few people in his life that he could trust emphatically and with his livelihood and more importantly consider him his brother.

Our sincere condolences and prayers to the family. God Bless!!

“ My precious Daddy, how so very proud I am to have been your first born child in 1950. You taught me to love the Lord and to know right from wrong. You led us all to the Lord at very young ages and you lived your life as a good Christian man. You set the example and never once did you stray. Your legacy will be that of a decent, respectful Christian man, who never once failed to stand when a lady entered the room, you were strict, but fair and worked hard to provide us with a good life and so many precious memories. We are saddened at your leaving but, so joyful at your destination. We will worry not about you, we only cherish the memories we've had. You are loved by so many and all rejoice in knowing you are with God the Father for eternity. Love you, Barbara
