Terrin L. Anderson

July 12, 1940 - February 28, 2024

Terrin LaMarr Anderson (Terry) passed away peacefully surrounded by his family on February 28, 2024. Terry worked for IBM supporting NASA at the Johnson Space Center in Houston.

Terry grew up on the family farm in Bricelyn, Minnesota. He went to Bricelyn High School, where he played basketball and baseball and graduated Valedictorian of his graduating class. And at times, he even helped his math teacher teach the class. (Athletic and smart!) Terry attended Mankato State College, where he received a BA in Mathematics in 1963. Terry became an IBM programmer on June 10, 1963, where he worked for over 30 years. Terry and Candy tied the knot on February 18, 1967.

Terry enjoyed playing on the IBM softball and basketball teams. During that time, he also bowled three 300 games and made three holes-in-one while playing golf. Terry and Candy also loved water skiing on Clear Lake as well as doting on their beloved dogs and cats over the years.

Terry was a good-natured, loyal friend. You could always count on him. And Terry excelled in all of his endeavors, whether they be professional, athletic, or social. He was warm-hearted and gregarious, always enjoying the company of his family and friends. Terry (Grandpal) will be missed greatly by all of us.

He is survived by Sandra Green Anderson (Candy), his loving wife of 57 years; his children, LaMarr and wife Kellie and Vince and lifelong partner Rachelle; two grandchildren: Terrin, III (T-Bone) and Turner. Terry is also survived by his sister Marilyn (Michael) Ginsburg of Minnesota, and brothers

Duane (Ailene) Anderson of Arizona and Allan (Cathy) Anderson of New York. Terry was preceded in death by his brother Gene (Shirley) and his parents, Harvey and Inez Anderson.

A Celebration of Life (come-and-go) in Terry's honor is going to be held on March 12, 6-9 PM at the Sam Houston Memorial Funeral Home (10129 FM 1097 W. Willis, TX 77318).
