“ I met Pam in 5th grade. She was my brothers first girlfriend (Tommy Hill) and we became fast friends from that time on. Meeting downtown Austin to go shopping, sneaking out of the house late at night (what were we thinking) getting caught and getting grounded, spending our weekends at the drive in and getting into all kinds of mischief. Getting married, having babies and growing up. Life happened and we lost touch but thanks to fb we reconnected after many years apart. I will cherish the memories of that weekend here at the lake. Meeting Bubba and making new memories. My heart aches for the family as I know Pam was your rock and lifeline. She will be missed by so many. Try to get a little comfort by sharing her memories and I know she is watching over her loved ones. Marylin Hill Holmstrom

“ She was a sweet and loving person. I remember when they would come to Spice Wood she'd dress up in her country clothes and go dancing, she did love to dance.
