

Raymond Eugene Woodall

November 24, 1934 - November 27, 2019

Raymond Eugene Woodall, born on November 24, 1934 in North Little Rock, Arkansas, passed away on November 27, 2019, surrounded by his loving family.

A memorial service to celebrate his life will be held at the chapel at the First Methodist Conroe Church at 4308 W. Davis Street in Conroe on Wednesday, December 4, 2019 at 2:00 p.m. A reception at the church will follow. Sam Houston Memorial Funeral Home will be coordinating a private burial for the family earlier in the day.

Mr. Woodall is an engineering graduate from LSU and retired from Amoco Production Company after 35 years as the company's Worldwide Drilling Manager. He is survived by Dorothy, his wife of 63 years, and his daughter, Senator Sharon Hewitt, and son, R. Scot Woodall. He is also survived by seven beautiful grandchildren and two great-grandchildren.

Flowers can be sent to the First Methodist Conroe Church. In lieu of flowers, donations may be made to the Music Intern Program at First Methodist Conroe.

You are invited to leave a written condolence on our website at www.shmfh.com.

“ So sorry for your loss. With deepest sympathy, Jo Ann Padia

Jo Ann Padia - December 04, 2019 at 02:27 PM

“ Miss Dorothy, Scott, and Sharon,
We are so sorry at your loss. Ray was a tremendous leader and developer of many of us at Amoco. He bucked the norms of the day and proved that one didn't need to have an aggressive or confrontational leadership style to have a very successful career. I was always so appreciative of his confidence in me and it made me want to be a better employee and person. He and Miss Dorothy were great role models to Mitzi and I as young newlyweds and as young parents. I know these last few years have been hard on him and you guys and I'm sorry I am not able to be there today. A salute to Ray for a life well lived.
In Christ,

“ As many, I too was blessed to have worked with Ray at Amoco. He was a great leader and mentor to us all. I highly respected his opinions and knowledge of the business and appreciated his kind and personal approach. We are all better people for knowing Ray as a friend and associate. Marlene and I also got to know Ray and Dorothy as neighbors in New Orleans and have fond memories of those days. Will keep the Woodall family in our prayers to bring you strength and comfort. Ray will surely be missed by all.

“ I was one of dozens of young engineers who was fortunate to have started my oil field career under Ray's supervision over 40 years ago. I will always be grateful for the lessons learned from him. Seeing the respect and admiration he had earned, created a goal that if any of us had achieved we could have called the career a success.

“ Early in my career with Amoco, I was blessed by Rays mentorship, knowledge sharing, wisdom, kindness, patience..... You made a big impact on me.

On behalf of the 100's of engineers like me, thank you Ray.

I pray that your family find comfort knowing you are resting in God's peace.

From Your Family At The Harbor, Dan & Grant - December 02, 2019 at 01:30 PM

“ Dorothy, Scot and Sharon,

It was quite a shock when Dorothy returned my call when I checked in to see how everyone was doing and she shared the sad news that Ray had passed away.

For what it is worth, I want all of you to know that he was one of the nicest fellows of all the major companies that we worked for. He allowed me to get to know his family and make numerous hunts with him up at our camp in Stuttgart. It also was a privilege for me because of where he grew up in Stuttgart, I got to know his wonderful mother and father. I was able to have them out to my camp on numerous occasions when some of you could be there.

In closing I wish there was something I could do for you, but all I can do is extend my deepest sympathies and best of wishes in adjusting to this great loss for anyone that ever knew him. I regret more than you know not being able to come down to the services to be with all of you. Since I have lost my right eye I can still drive limited around Shreveport but I don't drive at night and I don't drive on interstates anymore as I try to help feed Imogene twice a day and the shape that she is in and in the nursing home I can only be out of town overnight on very rare occasions.
