August 13, 1953 - May 15, 2008

Abbie Frizzell, Jr. went to be with our Lord on Tuesday, May 13, 2008 at the age of 54 years and nine months. Abbie, Jr was born on August 13, 1953 in Houston, Texas to Abbie and JoAnn Frizzell. He was a graduate of Huntsville High School. He worked for Sam Houston State University at the Physical Plant. He worked for TDCJ at the Goree Unit as a correctional officer. He won the Firearm Award from his TDC Training Class No. 314 and he was involved in competitive firearms matches. He worked as a welder at Wingate's Muffler Shop for many years. Later he was self-employed as a welder until his health declined and he retired. He was an avid hunter and fisherman and there was nothing he loved more than being out in the country hunting or on the lake fishing. He loved the outdoors and fishing and hunting. He spent many hours working on metal art, which was his favorite hobby. Abbie, Jr. is survived by loving companion Kay Frizzell and step-son Les Crownover of Spring. His daughter, Kristen of Kerrville, TX, his parents, Abbie, Sr. and Jo Ann Frizzell of Huntsville, his three siblings, W.J. “ *Kay,*

I am so sorry and shocked to see this. You know that Abbie was our dear dear friend through many years. We had a lot of fun with him and grew to love him for that great big heart and advice for everything (mostly teaching us how to dance his way). Please contact us soon by the return e-mail and I will give you our address now. We live in Seabrook, Texas and have been there near the kids for about 3 years. I am so glad he met you. You are a wonderful kind lady and we are truly truly sorry. He was just too young.

“ *Kay, I am so sorry. I had no idea that Abbie had passed away and just saw the obit on this website. I wish I had known. You are in my prayers and if you need anything please let me know. But always know this-God will give you the strength and mercy you need. I'll get in touch with you next week.*

God Bless--Sherry

“ My thoughts and Prayers, are with each of you. May God give you peace, and may His presence, be your guide, and give you the strength, and patience you need, to face each day one step at a time. In the peace of quiet moments we will remember the joys of a very special person. Peace Be With you. I will always remember Abbey as I knew he was always there if I ever needed him. I will treasure my road runner , he made for me out of rail road spikes. With Deepest Sympathy.
