“ *Very sad to hear of the passing of my 7th grade English teacher Mrs. Rogers. I always enjoyed her class. She was a great teacher, she made us work, and it was somewhat tough at times, but she had a good sense of humor too - had to with a class full of immature teenagers. But I always looked forward to that class because I knew we were going to be challenged and learn a lot. She will be greatly missed. My sincere sympathy to Ramona and all of the family. God bless! “ *I have fond memories of teaching with Louise. All the times we did special things for our students. My favorite memory of her is doing the TAAS assemblies with her beating on the stage with her yardstick. The kids loved it and so did all us teachers! Sincere sympathy on your loss and will be remembering your family in my prayers.*

“ I am so sorry to hear of Louise's passing. She was such a loving and caring soul. She was so thoughtful and loving to my daughter, Leslie Heatherly, and Leslie loved her and called her Aunt Louise. Ramona, you and your mother will always be in my heart, and I pray for your healing and comfort in knowing you will see her again.
