“ *My deepest condolences to all the family. I was thinking of Joe and the New Years we all spent together and decided to look him up on the internet. My heart is broken. Never did I expect to learn of his death. I remember how his eyes shown when he looked at you Roberta, and I know your life together was fulfilling to both of you. I have always thought of all of you over the years, and wish that I had tried to get in touch earlier. You will be in my prayers.  
God Bless you all
