“ *Shirley - Many people have treasured memories of your mother and I'm one of them. I remember her most for the library and the YWA's at Faith Memorial. I still have the satin cover that she made for the Bible for my White Bible Ceremony (and of course the Bible). My mother died in 2000, but I know and you know, that our parents are in the presence of our Lord now...and isn't that a wonderful blessing.*

“ *Shirley and family, I am so sorry to hear about your mom's passing. I know that she had a good life and that the angels are rejoicing that another sister has come home. She was a sweet lady. I remember her from Westbury and also from walking through the neighborhood and seeing her outside. I will be praying for you and your family. God Bless you in this time of sorrow.*

“ Shirley, I'm not sure if you remember me from Faith Memorial but I remember you and your Mom so very well. I have four grown children.. Tommy, Susan, Glenn and Scotty. I cannot begin to tell you how much your Mom meant to the youth group and to my family. We have so many wonderful memories of her and her beautiful smile. Such a sweet and generous woman to give so freely of her time and love for our young people. You and your family will be in our prayers.

“ Shirley,
I don't know if you remember me from Faith Memorial, but your mom was always one of my favorite people. I remember her in Sunday School and also as the librarian. She was always so sweet to me and my family. Your dad was also well remembered. There are few people who are the ones you always remember, and I will always remember her with love. You will always have wonderful memories.

“ Shirley, so very sorry for the loss of "George".
She had a sweet disposition. A wonderful sense of humor. A very pleasant demeanor and probably many other attributes that I wasn't even aware.
Hope you can find joy in knowing that she had a wonderful life and left you with many memories of joy and happiness on which you can reflect.
Our prayers are with you and your family
