“ *John and Alan were in the same LMHS graduating Class and stayed in contact all these years, especially through e-mail. When John died last September, Alan stayed in touch with me via e-mail. Because he and John had the exact same values and interests, I could always relate to what Alan sent. Alan was an honorable, truth speaking patriot who thought of others. America has lost a great supporter.*

“ *Alan and I were classmate at LM High School and also good friends. About a month ago he visited San Antonio to ride the roller coaster and other scary ride and told me he was going to seek out more parks to do the same. He was full of life then and it saddens me to know that he is gone and he never got to finish his dream. My heart goes out to his family.*
