“ *Beautiful, Intelligent, Interesting ! A fresh ray of sunlight for every path she crossed !*

Over the years, we had become close friends with Alex. I have to say I have learned a great deal from this dear friend thru the years. She was an amazing person in her own right, artistic and creative in her crafts and Sunday School classes, imaginative in her roses she created for weddings, and the ability to fix anything whenever the need arose.

Our prayers go out to Gustavo and her family. We have to know the Good Lord took her away so soon for a good reason, but we will all miss her terribly.

“ *Please Family Of Alejandra Accept My Condolences And Words Of Comfort, Grief of losing a loved one can be so hard, but God's word Isaiah 55:12 "I am the One comforting you". This is so comforting he understands your families pain and he will provide the comfort your family need. His word gives hope "he will do away with death and wipe away the tears from all faces " Isaiah 25:8 May the outpouring of love and God's word of promises surround your family.*
