“ My heart, as the holiday is coming, my heart is so numb. I never, EVER let go of you. I'm so sad, I'm so hurt. I can't even feel anymore. I can still hear your laugh, it hurts to not be able to see the smile on your face. You were my friend, my sister, my bestie & my whole heart. Who could ever forget about you? It's been years since we laughed together & its killing me. I wish I could just go with you but, I have to wait for God to come get me himself. I'm so sorry. I miss you more than ever. I remember our talks... how could I forget? Ughhh I miss you!!!! I love you forever & ever my love. My lexis ❤️.
