“ Bill, Vickie, Sherry...just saw the notice in today's paper and made me very sad. It's been a long time but I remember all the fun times our families had together when we were kids. Daddy died April 9th, 2009 after a 3 yr battle with cancer and mama died suddenly on Valentine's Day this year of a heart attack so I know exactly what you're going through and how difficult it is. I wanted you to know I am remembering your mother with love and thinking of you with the same. Love, Pam
