*It was nice to see Alice when on vacation she always wore that ear to ear grin. It was nice to see her relaxing. She would kid with Ruth and ask her to bring her things. I got to enjoy a couple of vacations with them and had fun with both. I admired their sisterly relationship. I know the family will miss her, although we didn't see each other as often, the times we did became fond memories and I too will miss her. My hat off to this hard working, energetic and successful woman. May God bless.*

*Thank you Lupe and Iva for your kind words. I am very glad for the time I got to share with Mom these last few years as her health declined and be with her in her final moments. Please continue to pray for us, this is a difficult time and season for my family.*
