“ *My thoughts and prayers are with all of you. I know what she meant to all of you and I feel your pain. She was full of life, love and laughter. My daughter was robbed of her MOMO (grandma) much too early. Her legacy lives on through each and every one of you. She has been welcome with open arms into Heaven. Hopefully she will provide spiritual guidance to you all in the years to come. God Bless. With Much Love and Sorrow. - Mike*

“ I am sorry that this happened. Momo was a great person...any which way you come about it, it all comes down to how she was a wonderful person with a huge heart. She will be greatly missed. But now, she will be with everyone...forever...watching over all of us...keeping us all in check!!! Just keep in mind, how much she cared for everyone...we will see her again...later on in our lives...until then...as long as we all know shes with us, I am sure that she will be happy to see us all together. And another thing, you know who she is up there talking to...As I said before, She is reading her fortune and talking about buying or selling catfish. You know who I am talking about. Im sure they are just having a grand time.

God Bless You All

My thoughts will be with all of you all..

With Much Love
