“ Alison and i worked together years ago, we werent close friends, but she was always that person that always spoke. Even though I havent seen her in years, when my son broke his femur 6 weeks ago, she was one of the first people to let me know we were in her thoughts and prayers. She was such a wonderful person, and I pray that her family and her girls find peace.

“ Martee and Bennie, I am so sorry for the loss of your daughter. I can not even begin to imagine what you are feeling at this time but rest assured that God is holding Alison tight in his arms and she is looking down on you both as well as her two beautiful little girls and keeping a faithful watch over all of you. I would see Alison every day when she had the salon (several times usually) and she was always so warm and pleasant and always had a beautiful smile on her face. She would always buy candles from Serra for Gymastics and Cheerleading fundraisers and was so giving. She will be greatly missed by all who knew her. I pray for you both and those precious little girls - God's strength in your time of need and for always. God Bless you and your family and God Bless Alison, she will be greatly missed.

She will always have a special place in all of our hearts. Every time that I look toward the stars, I'll know she's smiling down and watching over us all.
