“ *I'm so sorry to hear of Allen's passing. While a student at Huntsville High, I took an Office Education course and began working at my first real job in the Inmate Trust Fund Department with Allen as my Supervisor. How intimidating he was to a then 17-year old but I learned how to conduct business from him in which I continue to apply those lessons of discipline and professionalism in the work place and for that, I'll be forever grateful. My thoughts and prayers go out to his family and friends during this time of loss.*

“ I first met Allen when I enlisted in the 317th Military Police Platoon in Huntsville. He was already enlisted when I joined and was one of two I met the first day that took time to fill me in on SOP and made me feel welcome. He was a very dedicated soldier and did his job extremely well, he always had your back. Allen was proud to have served our country. After he discharged I later learned he was instrumental in my promotion to platoon SGT. I will always be thankful and proud to have served with SGT. Sylvester.

“ I’m so sorry for your loss. Your family is in my prayers. I have been blessed to work with Allen at TDCJ Inmate Trust Fund (bank for all the inmates in the TX prison system) and then later Noma at TDCJ HR Headquarters Department. I have been blessed to know their children & see them grow up, get married & have children. Allen & Noma have always been there for my family in the good times & in the times of tragedy. I have always appreciated them not only as co-workers but also as friends.

Allen was my nephew; however, we were more like a sister and brother. We had fun together growing up and as adults. Allen reminded me of my dad, his Poppa... you always knew where you stood with him. He helped so many people as an adult. He took people to the hospital, grocery store or anywhere they needed. He provided finances to those in need whether it be family, friend or stranger. If Allen was your friend, you are blessed. I believe Allen was prepared to leave this world when the one who made him said, "It's time to come home." This world is not our home; we are only passing through. We love you Allen. And, he would say back, "Me, too!"
