“ Allyson and I have shared many great times together; White River sandy beaches, work, marriages, deaths, births of Jacob and Adam, horse races, Razorback games, etc. The list could go on and on. Everywhere we went, every person you talked to you always had that beautiful smile. I love you dear friend and you will surely be missed by many that knew you. My heartfelt condolences to your loving family. This is not a goodbye but only until we see you again.

“ *Allyson was the sweetest person you could ever meet. She and I met at Sam Houston University when I applied for my job there 20 years ago. Her smile could light up the room and she always had a kind word for everyone she met. I considered her a friend as well as a co-worker and will always appreciate her kindness to me over the years. My condolences and prayers are with her family - Kathy Roberts*

“ *I knew Allyson when we were in 8th grade in Spring Branch; Houston, Texas. She was close friends with a close friend of mine, Denise Henderson Rowe. We were active in the Westview Baptist Church youth group. I'll never forget Allyson's beauty, sweetness, and joyful spirit. She will be greatly missed.*

Allyson, You and Denise did GA's together if I remember correctly. It was a long block from Janak to Denise's house around the corner to the left. Y'all walked that a lot. Vickie

We wore out that route alright! Your house was between mine (west of Wirt) and Denise's on Johanna. You have a good memory, Vickie. I hope you and your mom are doing OK at this difficult time.

“ Allyson and I met over 20 years ago at Sam Houston State University. She began working with me on Saturdays proctoring standardized tests and eventually joined me in the Testing Center as my secretary/receptionist but she became much more -- she became my friend. We spent many early mornings, before we opened our doors, in my office discussing family, friends, celebrations, disappointments and life in general then holding hands and praying. We had lunch together on her birthday each year including last year and I will treasure that memory forever. She was one of God's angels here on earth with her giving spirit and her service to and for others. I know that she definitely has a special place in heaven because of her unyielding faith in God. I was truly blessed to have known this amazing woman and I will miss seeing her until we meet again, if I am that lucky.
