“ *My mom was the most amazing woman, she had the biggest heart, would help anyone and give her last I'd give anything to fix her the okra and tomatoes and cornbread that she ask me to do, but how she ask me was Baby I sure been craving one more pot of your okra and tomatoes will you make it for me and bring it with you tomorrow I told her yes but I was so selfish and didnt because I knew it would be the last and I didn't want my mom to go I couldn't even stand the thought of ever loosing her, but now I live with so much regret Mom if you can see this I want you to please forgive me for being selfish and not wanting to make your last meal you loved my cooking and I loved you and thinking if I don't make it you wouldn't leave me and that was wrong of me I love you and miss you so so so much and I just can't let go and say see you later I don't know how and I'm not that strong.
