“ My sympathy goes to all of you. I last saw your parents at Coushatta a few years ago. My mom and I saw them at the casino, and even after all of these years away from Placedo, I recogized them right away! We had a very nice visit.

My maiden name is Donna Migl. I have mailed the obituary from the Advocate to my brother, Denny, who lives in Fort Worth. He is married with 3 daughters and one son. Darla (Victoria) is married with one son and one daughter.

We all talked dearly of your parents. We respected your dad as principal at Placedo Elem., and your mom was THE BEST 2nd grade teacher. I looked forward to being in her class because she had the cat clock with the moving tail! That was such a big deal to me (don't know why?) Kids all talked about that clock. I still think of her when I see one! I really do.

Placedo just doesn't seem the same with such icons as your parents. I don't know where the time has gone, but it just seems like I just saw them. They had this magnetism of love, care and sincerity.

They both will have a special place in our hearts.

Both Mom and Dad are deceased, so I know what you are going through. Remember the special times with them, and God will provide the strength that you need to get through.

Always remember: if God brings you to it, He will see you through it. Peace be with you.

“ *What an amazing man. He was a mentor and role model. He set a fine example of integrity, honesty, compassion and calmness. He was a loving husband and doting father. He never met a stranger. All who met or knew him always remembered what a kind man he was. He will be missed.*

“ Sorry to hear about your father. We express our deepest sympathy to each of you at this time. You have lost two very special people (your mom, too) so close together. May it be of some consolation to you that they are together and I am sure that's the way they would want it to be. Again, we have the fondest of memories and they will last forever. So "thanks for the memories" and take care of each other.

*Love and sympathy,
Bob and Lois Harraid*
