

Amanda Jane Nethery

April 19, 1985 - March 13, 2022

Amanda Jane Nethery was born April 19, 1985, and she went to live with Jesus on March 13, 2022, after a lifelong struggle with several severe illnesses. She was born at Darnall Army Medical Center at Fort Hood, Texas. Her family moved immediately to Huntsville, Texas, where she attended school. Upon graduation, she attended and graduated from Texas A&M. She was a fourth generation Aggie on both sides of her family and very proud of her Aggie heritage. She then attended and graduated from Southwest Baptist Theological Seminary in Fort Worth with a Master's degree.

Amanda's true passions were going on mission trips and travel. She went on ten mission trips with the Jesus Film Project, a division of Cru(Campus Crusade), raising all funds necessary to get to the mission field, do the work assigned, and get herself home. She could also talk about all the African, European and Asian airports and the best (and worst) places to eat in those airports. She had grown in her love for nursing. When she left this earth, she was actively involved in taking nursing courses, and was working as a CNA, as well as substitute teaching, which she swore she would never do because her mother was a teacher.

Amanda hated to be known as "the sick girl." Consequently, most people never knew about all the different conditions and illnesses she was plagued by. She loved her family, taking every opportunity to join in frequent family

gatherings. She and her daddy loved to go eat wings, go to movies, and find adventures to go on.

Amanda was preceded in death by her grandparents Joel and True Reese; Bettyanne Pratt Nethery; M.J. Nethery, Jr.; and Clyde Reese.

She is survived by her parents, Dr. and Mrs. M. J. Nethery (Skipper and Cindy); her brother and wife Nicholas and Jennifer Nethery; and, her four nephews, Clyde, Graham, Bryce and Reid. She loved those little boys like they were her own, and they loved her right back. Also surviving are uncles Neil(Stacy) Nethery, Larry(Carol) Nethery, and Carolyn Reese.

The family of Amanda Jane Nethery appreciate all the support and acts of kindness we are receiving during this time. Amanda fought the good fight (2 Timothy 4:7), but we will miss her forever.

Visitation will be held on Monday, March 28, 2022 at First Baptist Church in Huntsville at 10:00 am, with a memorial service beginning at 11:00 am. Memorial condolences may be made to the family at www.shmfh.com.

If anyone chooses to make a memorial gift in honor of Amanda, the following are things that were important to her:

- The Jesus Film Project, a part of Cru
- samaritanspurse.org (Samaritan's Purse)
- HCU Network America

“ *We were so terribly sad to learn of this precious girl's passing! It broke our hearts. We met her when she rented a room from us in our College Station home. She was very sweet, trustworthy and dependable. We felt good knowing Amanda was there. We enjoyed helping her on some of her missions and she came to several parties at our home and was always eager to participate. She was a truly wonderful person with a kind spirit. We are very sorry she is gone from us all but we know we will get to spend eternity with her and she will no longer suffer with illnesses. Our heartfelt sympathy and love goes out to her family who must be in immense pain from losing such a treasure. Our prayers for them begin today as this is the day we learned of this tragic news. We will make donations in memory of Amanda to her two favorite charities. Thank you to her parents for bringing such a precious person into this world. She truly touched our hearts and was a joy. Thank you for the treasured gift of Amanda. God bless you and keep you in his care.*

“*My sweet friend. We went to pre school together, dance classes together, we went all the way through school together. We grew up together. I moved away. But we stayed in touch, though through the years are messages were fewer. Amanda I love you. When I think of my childhood I think of you. We were in the same classes, school and dance. You brightened my life. I leaned on you for support as a child/teen and adult. I wasn't ready to let you go. How I wish I could have hugged you one last time. But I know I will see you again. I know when my time comes that my friend, who was with me through so many things, will be there waiting for me. I love you forever
Amanda.*

“ On behalf of myself, HCU Network America and the Homocystinuria community we can't express our sadness enough. When Amanda was first diagnosed I made contact with her via Facebook and we had an instant connection. Between Homocystinuria, the overall rare disease journey, our connection to the education world and our similar age, we always had so much to talk about. Amanda was always more than happy to jump in and help when she could to help others and to make the journey less lonely. Her absence will be felt, not just as a patient in our community, but also as a friend.

I certainly remember Amanda as part of our Huntsville High School "family." It was always fun to work with the children of the staff members and to get to see them interact at school, both with their fellow students and their parent. And special to be a parent, like Cindy, and work on the same campus.
Amanda will be much missed by all who knew her.

Our hearts were broken to hear of Amanda's passing! How blessed your lives have been by having the honor of raising such a remarkable daughter! Truly gone too soon, but oh how she lived life to the fullest and made more of an impact than most of us ever will . Our thoughts and prayers will continue to be with all of you!
