“ Andrea was an amazing mom and loved her boys dearly. She embraced motherhood like a champ. Motherhood was her world to Fletcher and Prescott. My whole department where Andrea worked was devastated by this loss. Andrea was always kind, supportive and loved helping others. One of my fondest memories was our annual toy drive... Andrea would love to help pick out gifts for the kids and families games and wrap them. She lived for her family and would always share funny pictures and funny stories. She was always there for anyone if they needed to talk to her or just needed a hug. Although she was several years younger than myself, I truly called her my idol. She was very wise and had the patience most seasoned people don't display. She is and will always be missed by me and my colleagues.

“ She was a woman wise beyond her years, a devoted mother. I was truly blessed to have had her as my daughter-in-law and I will miss her enthusiasm and lovely smile.
