“ *Sandy and I wish to express our condolences to Andy's family. Andy was a true blessing to be around, as he met all situations head on with a smile and that special laugh that we all will remember. Andy will be missed by the whole Walden community and especially by those he played golf with and served as President of the Mens Golf Association.  
May God have mercy on his soul.*

“ My condolences to all the rest of his family, especially to Eloise. When I picture Andy in my mind, he's always laughing, and that laugh was so contagious. It makes me smile to think of him. It makes me sad to think I won't see him anymore. He was always my favorite cousin. God speed, Andy.
