“ *Jetta (and family),*

*I am so sorry for your loss. I've always loved and admired your family and always felt so welcome in your home growing up. What a great family! I know you all have wonderful memories of your mom and will always hold those close to your heart. She was one of the strongest women I have ever met and always so kind and giving. I will hold many memories of her close to my heart as well!*

*Love ya girl, Kelly*

“ *Felder Family: Please accept my love and prayers for all of you. Maybe Ann and Boley are at the tables and Boley won't give her any money to gamble. She was a great friend, lady, mother and grandmother and will be missed by all.*
