“ *Since the birth of our boys, our family has been so blessed by wonderful people. One of the most special blessings for Matthew and our family was having Mrs. Guedry as a teacher. Words will never be able to express what she means to our family and how she enriched our lives. I always remember her fondly saying, "It will be alright". No matter what the situation was, she had a positive outlook and just knew things would work out. The world will truly miss her, but heaven has gained a wonderful angel. We have never known such a gentle and kind spirit. Our thoughts and prayers go out to your family. We are just around the corner if you need anything.*

“ I taught with Ann for several years at Stewart several years ago. At one time our rooms were side by side with a door between. I always felt that was a special situation with a special lady.
I'm so thankful I had the opportunity to visit with her a little over a month ago. She had a grandson with her, and it was fun to see them interact. What a surprise to see the write-up in the paper! She will be missed by so many of us!

“ I had the honor and privilege to student teach at Stewart under Mrs. Guedry. She was always so gracious and a great example of how to teach children. I learned all I needed to know to teach 4th grade from her. This world has lost a great teacher and person, but heaven has gained an angel. My prayers go out to her family during this time.

“ In the last few years I have certainly missed those routine times when I would have gotten to see Mr or Mrs Farris and catch up on Family news. Ann being the one I had seen second to the Farris' I am sure I will miss those opportunities as well where I will commonly look about for those I know and cherish. My condolences to Ann's Family, Mark, Bill and Tom and their Families.
