“ I taught with Anne at MPMS and she was our daughter Shay's math teacher. My husband made a frame for a personalized print of yours. Anne worked with him to get just the right wood to create a special gift for you. She was so excited to do it for you. Her love for you was obvious. We are so saddened to hear of her passing. She was a sweet, warm person who was loved by all. Our thoughts and prayers are with you.

“ Robert, I taught with Anne at New Waverly Jr. High for several years before she retired. She was an inspiration to me and all who truly knew her. We worked long hours after school together, and I found it comforting that she was right down the hall if ever I had need of her advice, opinion, wisdom, or spiritual guidance. She was a gifted educator, professional in every sense of the word. Every student who had Anne as a teacher should consider themselves blessed beyond measure. The thoughts and prayers of her extended New Waverly family are with you.

“ I knew Anne from seeing her at Curves. We had several good conversations while going around the circuit. She was a sweetheart & always had a smile on her face. Her eyes twinkled when she smiled. Everyone at Curves that knew Anne is saddened by her death. It was so unexpected. She will be missed by us all. I talked with her not long ago & she told me she had been reading the Bible a lot. She told me all about her husband working on a ranch in south TX. She was a kindred spirit & I will miss her. Rest in peace Anne. So sorry for your loss.

“ Robert, Anne was one of my good "workout" friends at Curves. I remember many years ago when we began visiting on the circuit. She was a joy to know, we shared many stories and our pray needs over the years. She will be so very missed by those of us whose lives were enriched by her. She made no secret of her love for you and her love for her Savior, Jesus Christ. My prayer for you is for peace and comfort in the knowledge that she is resting in the arms of her Savior.
