“ *To Donna and Sabrina,*

We are so very sorry for your lost. Yvonne was such a wonderful person to know and love. We have always felt Yvonne was such a part of our family. We are going to miss her soooooo much! We are so saddened right now, but, truly after learning about our glorious home going to be with the Lord forever and ever having a "life" of peace and joy beyond anything we can imagine, our sadness turns to joy for Yvonne! I have learned, since David's passing, that there is "life" after death, and you are joined with all your family and friends that have passed away before you. Yvonne will be together with everyone forever and ever...that is such a beautiful knowledge to know and to look forward to! Now Yvonne is enjoying herself already...you know how sociable she was and enjoyed it so much, and now she still is!!! Yeah!!! Praise the Lord. Believe us, we too, will join Yvonne when it is our time to go home, and we all can celebrate again with joy in Heaven with our Lord forever!

Tiffany and I, plus our whole family remembers Yvonne with true love and admiration and will truly miss her until we get to see her again forever! Halelujah!!!
