“ I have missed Annie so much...Been almost a year and it is just like yesterday that she went to a lot better place. She was my step-mother for lot of years and we had so much fun with that....she was just 3 month older than I was and when we were a lot younger would go to grocery store and would say things like " but mother you said I could get it next time we came to store...you promised.." people would just look and wonder how could this be????????? Loved her so much...and all the Shelly's....They just welcomed me into thier lives as one of them.,, until Annie passed away. Miss that. Annie is missed by the ones that knew her and loved her as I..... Annie will see you someday...

“ I always remember when all of the Underwoods would get together and we were also glad to see Jake and Annie, Annie was always so fun loving and smiling. I was Doyl Underwoods daughter. Our prayers are with the family and know Annie is with many of her family with God.

“ Howdy to Annie's family.

I will miss Annie chatting with Annie via email and she will surely be missed at area David Ball concerts.

I can see her now, giving the Angels the sheet music to WHEN THE DEVIL WANTS TO WRESTLE, and promising them that it is totally appropriate.

Thanks Mary for keeping me informed. ((hug)) love to all. Tammy

“ Aunt Annie was a very special person. She was warm, loving, caring and passionate about her family. She treated others as she would want to be treated. She was a wonderful Aunt, friend and advisor. I love her very much and am so proud that God has called her home instead of letting her stay on earth and suffer with her illness. I will miss you Aunt Annie and will always love you.
