“ To the Guevara family: Please allow us to render services to Tony (in behalf of our son Joseph). We feel better and relieved every Sunday when we put and arrange few flowers and do prayers in his earthly residence, everytime.

“ There are so many words to describe Tony.. he was the best friend everybody could have. You were relieved to know that he would always be there for you in any way and would also find the solution to your problems. I met him way back in middle school and became friends immediately. We could have something important coming up like a major test and be all worried about it...but he would always be calm. He would say that he had nothing to worry about because in the end he knew he would do good..his confidence in himself helped others. There were days that I would be sad about something but just by seeing his smile would turn things around. When he started dating Arlen he said to me that he knew he had finally found the love of his life and that he would do anything to keep it forever. He sure did...he loved her deeply. Tony I know that you will always be here with us...you taught us something that made us live life to fullest. You will always be loved by one of your sisters...

“ Tony, We really are going to miss you, man. I really thought you were a cool guy. I won't forget that day in Wal-Mart. I said "who needs a dollar" then you said "Man, I'll take it". I hoped you enjoyed that dollar, just like I enjoyed being your friend. Rest in peace, friend.

I CAN'T THANK ALL THE PEOPLE ENOUGH FOR ALL YOUR SUPPORT AND HELP MAY GOD BLESS YOU ALL AND WE THANK YOU SO MUCH FOR EVERYTHING.

“ I did not personally know Tony but I feel that I was "touched" by him and even Arlen while I was at the high school in my capacity as an ordertaker for Herff Jones..I was at the school on numerous occasions taking class ring and graduation orders for juniors and seniors. I also live very close to the accident site and was so moved and felt so close to the family as I drive by the site several times a week. They say everything happens for a reason, I am not sure that I understand that saying....may God be with all of you in this time of sorrow....you are all in my thoughts and prayers. God Bless.

“ My thoughts go out to Antonio's family and to my cousin Arlen. Although I have never had the pleasure to meet Antonio, I heard many good things about him and I know that Arlen loved him very much. So her lost is hard on all of us. We love you and we are thinking of you, always.

--Cynthia Ortega Alarie (QC, Canada)

Love is kind; it does not envy, it does not boast. It is not proud, it is not rude, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil, but rejoices in truth. It always protects, always trusts, always hopes, always perseveres. Love never fails. And now these three remain: faith, hope and love, but the greatest of these is love.
