“ Paw, You were the best Grandfather a kid could ever ask for. I loved our fishing trips, and all of the time we spent on that lake together. You were a Hero to your Country, and an even bigger Hero to me. You were a great man, Father, and Grandfather. I miss you Paw. I love you, Troy

“ Pa you will be missed so much!!! All the stories and jokes out of the blue- all the times we sat on the porch and watched the cars drive by- the times it would rain across the street and not be raining here. I truly am blessed that I was able to come and help take care of you during your final moments here...I love you Pa...
