“ *Mrs. Ellisor and Family! I am so saddened to hear about Mr. Ellisors passing! He was my favorite customer at McNease Drugs and I would always go out to his truck to give him a hug and tell him hello. I am really going to miss him! He was one of the sweetest men I've ever met! I would love to get burial information so I can go visit him and bring him flowers. You all are in my thoughts and prayers!!*

“ I worked for Chief Ellisor from 1972-1978.  
Those were some interesting times for Conroe PD, and he always had a great sense of humor. He was always open to new ideas, and he always had my back.  
I am still a cop, and think of him often.  
Please accept my condolences, and know that you all will be in my prayers.

“ Angie you know how special Arlie is to us. No better friend could be found anywhere. I remember the night that he was willing to drive all the way to our house because he wanted Tommy to go to the doctor. We love you both so much and we are so sorry that we have not been able to spend the time with you that we should have. Arlie will be missed.

“ Angie, we are so sorry that we did not get to visit with Arlie again before this date. We should never let that chance go by, as we donot know what tomorrow holds. We love you and Arlie so much, and know we have let you down, by not keeping abreast of your daily lives. Betty called this am and let us know about Arlie, praise God that you were home and got to be with him some after your surgery. We pray that you are doing as well as expected, and we pray for you in your loss. Love, Henry & Ginger
