“ *Having just went through this less than a year ago with Dad, my heart goes out to you all. Watching a loved one suffer is heartbreaking. I smile because I picture my Dad and the rest of the brothers and sisters, as well as Grandma & Grandpa Kreger welcoming him to Heaven with open arms. Love to you all, Joy.*

“ We grew to know and love Arnold while working with him at the courthouse security. He was an influence on us all with his integrity, morals and big smile. Second Timothy 4, 7 and 8. I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord will award to me on that day. Arnold will be missed by many but we rejoice with him.

Prayers to all of the family,

“Dad was my biggest cheerleader. Having five other brothers and sisters, the time we have spent together in this past year caring for dad has been uplifting and enlightening. I found out that dad was each of my sibling's biggest cheerleader, too. While he worked extra jobs to support our family, he always made time to be there for each of us. I have learned stories of his support and love for each of his children that I did not know or realize because I was focused on my own life. Dad was a genuinely kind and good man. Those traits never left him, even when his disease robbed him of his other abilities. I grieved his loss so long ago. Today, I am joyful that he is with his Lord and Savior and no longer plagued by his human frailties. The disease may have robbed dad of his memory, but it cannot rob the wonderful memories that each of us has locked away in our hearts and mind. We rejoice for dad is experiencing the promise of eternal life with our Savior and we will be reunited again one day. Charles Kreger

“ *What I remember most about Arnold is that he was always smiling- always kidding around. I'm glad that he is in the presence of our Lord and Savior right now-happy again...happier than he ever was here on earth. Anna Mae & kids; I know you will find peace in knowing that he's safe now and whole. Until we all meet again.... Love and prayers-Marsha, Doris and Jan (Hildebrandt)*

“ *I will always remember Arnold taking care of your lawn while you were traveling. My Mikie would offer to help him and try to get him to take a rest under the big oak tree. So happy that he is no longer suffering but with God. Love, Lorraine Shellhaas*
