“ I treasure all the memories I have of spending time with Mr. Walker and family, LaNelle. I grew up with LaNelle and the Walker family-The memories of spend the night, go to the Lake, LaNelle marrying Dan, Ms. June always fixing the great French toast. Mr Walker was always such a joy, planning surprises for Ms. June, and LaNelle. I remember all the time spent at the Body Shop with LaNelle while she was supposed to be working and Mr. W always working and smiling. The trips to the Lake were so fun and I loved all the fishing and just plain old FUN we had. I am so sad at your loss. Please take care Ms. June, and LaNelle and family too. Love you all..Jan Renfrow Hill

“ June,

Ed and I are so very sorry to hear of Dick's passing. The two of you were wonderful friends to my parents, John and Mildred Prestridge. They loved their years at the lake and the time spent with the two of you. Our son Greg still has and treasures the small bookcase that Dick built for Daddy when he was ill. Ed and I have moved several states away from Texas -- too far to attend the services. However, please know that our hearts go out to you, and we will keep you and your family in our prayers.
