

Arthur "Ike" O'Bryant III

August 5, 1956 - June 19, 2024

Arthur O'Bryant III, whom most called "IKE", was born on August 5, 1956 in New Waverly, Texas to Arthur O'Bryant II and Gladys O'Bryant. He was the youngest of 3. Ike was preceded in death by both of his parents and his older sister, Margie O'Bryant-Jackson. His older brother, Daniel O'Bryant, survives him and resides in Conroe, Texas. Growing up, Ike developed a huge love for football. In high school, he set many records including the most touchdowns scored by a single player in one game, 6 to be exact. He went on to earn a football scholarship to Sam Houston State University where he played one season. From there, he took his talents to other teams such as Wharton Junior College, Abilene Christian College, and the Calgary Stampeders in Canada.

After hanging up his football cleats, Ike started an electrical company and became a family man. He married Janice O'Bryant and together they raised 3 children. In his children, he instilled love for family, a passion for giving back to the community, and a love for Christ. Arthur O'Bryant III was a teacher of God's word and he trusted God in all things. He was loved by many and is survived by Janice O'Bryant, his children, Terrence O'Bryant (Nadia), Adrienne O'Bryant, and Brandon O'Bryant (Elizabeth), 10 grandchildren, 3 great-grandchildren, Nate James (Bonus-Son), and 2 great friends, Donald Marshall and Dwight Pollard. He will also be missed by a host of nieces and nephews, friends, and church members.
