“ *Dear Lanham Family and relatives,
I would like to send some words of encouragement that are helpful to me when I lose a family member or just think about someone I cared about that is no longer with me. The Bible makes clear that God did not originally intend for humans to die. He created the first human pair Adam and Eve, placed them in an earthly paradise called Eden, and intructed them to extend their paradise home earthwide. They would die only if they disobeyed His instructions. Genesis 1:28 and 2:15-17. After sin and death entered the world, God revealed that it was his purpose that the dead be restored to life by means of a resurrection. Thus the Bible explains:"Abraham...reckoned that God was able to raise his son Isaac up even from the dead." (Hebrews 11:17-19) Abraham's confidence was not misplaced, for the Bible says of the Almighty: "He is a God, not of the dead, but of the living, for they are all living to him." (Luke 20:37,38) Yes, Almighty God has not only the power but also the desire to resurrect whom he chooses. Jesus Christ himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."(John 5:28-29 and Acts 24:15. According to the Bible, you and all your loved ones have this prospect. I hope these scriptures will be of some comfort as they are for me.*

*Sincerely,
Juneau*

“ Artie has been one of my favorite people for many years, and I'll never forget that mischievous twinkle in her eye or her great sense of humor! She and Nancy invited me to sit with them at church many years ago, and we have been friends ever since.

Nancy and I would take Artie and her friend from church, Lee Thompson, out to lunch every year to celebrate their birthdays, which fell in the same month. I miss that, because I really loved those two. and it also was an excuse to get together with Nancy, one of my favorite people in all the world!

But now they both are in Heaven, along with my own mother, and I'm expecting them to be there to meet me on that wonderful day when we can all join together around the Throne! I pray for all who may read this, that they, to, would ask God for the "peace that surpasses all understanding", for there is nothing more wonderful than to have "that glorious hope" in your heart!

“ My thoughts and prayers go out to your family at such a difficult time in your lives. Although we all are going to miss her sweet kind smile I know that she is rejoicing in Heaven with her Lord and Savior. I will always remember the kind sweet lady that she was as we shared our Monday night services at church. Rest in Peace my Friend.

“ I only knew Artie because Nancy is my best friend and when I would go to Nancy's house or Nancy and I would go to lunch then many times Artie was right there with us. She was always such a sweet lady to me. But what I will always remember is the special mother daughter love/bond that Nancy and her Mom had. I know that Artie was that way with all of her kids. I know that Artie is with GOD looking down on earth at all the people that she loves and just saying "I will wait for you....".

“ We had some wonderful memories together at Spirit Life Church of God. Sister Artie Ruth was such a precious lady and I remember her being fun as well. I know she will be missed by her family here but I also know that all of us will be reunited with our loved ones very soon.

God bless all the family and you are in our prayers

“ Artie was my mom's cousin and I loved her so! She was so much fun at family reunions. I'm so glad she and Kenneth had so much fun; he was also one of my favorites. Kids, (my cousins, you guys) it's such a comfort knowing her faith in the Lord. One thing about the Rae bunch, they had some religion! God bless you all.

“ My thoughts and prayers are with you. Artie is at peace now and, I am sure, smiling. She was a wonderful cousin to me. Having no sisters I had cousins to fill that space. I am sorry I can not be there for the service, but I will be thinking of each of you. Love to all,
