“ Gary Gene so sorry to hear of your mom's passing. When my mother passed away my heart got very heavy, but God blessed me with friends and family that lifted me up. God does not give us more than we can bear, and your grief will be replaced by the joy of her memory. Until that time comes rely on your friends and family for strength. Your family is in our prayers. The Wheat family.

“ Gary and Fowler Family..We are sorry for the loss of your Mother. She was a fine lady and treated everyone she met as if she had known them for years...Even though we retired and moved back to East Texas, we have not forgotten the good friends and customers we had for so many years in Huntsville. When we first met, we did not know Mrs. Arvinia was related to Shirley. Later,we all had a good laugh about that. We hope you and all her family will have peace in knowing how she will be remembered.

“ I was sadden to hear about the loss of your mother. A mother is the base to everyone's love... she teaches us how to raise a good, healthy family, teaches us right from wrong, how to clean up after ourselves, and especially how to share the love, we have inside us. By all that she has done for you, remember... she will always be within you. God Bless!

“ Dear Fowler family,

I was sadden to hear of the loss of Ms. Arvinia! She mean't so much to me, Rick and Carissa when we pastored in Dodge. She always had such a sweet spirit. I know she will be missed but I can't help to think of the rejoicing she is doing in Heaven seeing all those who have gone before her including my Rick. God Bless each of you and I will be thinking of you!

“ Larry and Gary and your families: I am sorry to hear that your mom passed away. I just left town for a month, so I won't be able to be there for the service. I always liked being around your mom, she was such an outspoken person, and always welcoming any time I would stop by. I will be thinking of you guys during the coming days and will get in touch with you all when I get back home. If there is anything I can do in the meantime, please let me know. I love you guys!!

“ Larry and Gary,

I am very sadden to hear about Meme. And as hard as it is to hear and say she is in such a better place with no pain in her life. But on the other hand I'm sure Pawpaw is already telling her what to do and she is waiting on him hand and foot. I just wander if she is already wanting to save that two or three bits of food for left over's. No one ever went hungry in her house. No matter whom it was family or not she always had a big heart and wanted to take care of everyone. She will truly be missed by all.
