My heart is breaking for all of you. As you know, I've suffered a great loss in my life and my children's children's life, but just believe in your heart that Ashley is not suffering any longer and that Madison will have her own special guardian angel. When Taylor and Christopher asked about their Dad, I would just tell them to look up and that he was looking down upon them. Believe in God, He will get you through this.

Love to all of you and God Bless you.

“ Dearest Jo, Jim, DJ, Emily and Madison, I am so sorry to learn of Ashley's death. In May when I was in Texas I am so happy that I had the opportunity to spend some time with Ashley and Emily. At that time as always Ashley was a very upbeat young man, no one would have ever guessed the pain he was in. He is with God now and is no longer in pain. It is not for us to ask why but to accept God's plan. I love you all and send my deepest sympathy.
