“ *My heart goes out to all of you, her boys, daughter-in-laws, grandchildren, great-grandchildren and great-great-grandchildren. Audrey was one of my favorite Sister-in-laws and I just loved going visiting her and Robert. Earl loved her too and I think he thought of her as a second mother. When he called to say we were going visit she would tell him she would have chicken and dumplings (or even he asked for them) she had a big pot going when we arrived. He always told me I could never make them as good as Audrey.*

I know that you all will miss her but I am sure you have lots and lots of good memories to share with each other and just know that she is where she wants to be with Robert.

Love to you all!

“ A little over a year ago, God presented an opportunity that fit some desires I had expressed...part time work, close to home, something I would enjoy doing. Wow! Audrey filled a need for me and I for her. I was able to do things for her that I would have loved to do for my mom. We had lots of conversations learning about each other's lives. She got to know and love my cat that she called "Puddum Cat". That is now one of his names. We were amazed that the trees in her yard grew so tall and straight. I took her shrimp, candy and made her cream of wheat, although she hated for me to have to do that for her. We held a special place in our hearts for each other that I am so grateful for. I really enjoyed spoiling her. She had the thickest, most beautiful hair for a ninety-five year old. She would always say, "Well, I'm glad to know something about me is beautiful". Well, Audrey, my memories of you are beautiful and I thank God that he answered my prayers. You will be in my heart forever.
