“ *We wish to express our sympathy and prayers for the loss of your Father. He was a great guy and we were blessed to call him friend. It has been many years since we have visited, but we have many fond memories of good times with Buddy, Dean, Dorothy and Eddie Earp. Many were at the UT football games. God Bless you and your families. Ruth and Charles Pulido*

“ *Buddie was like a second father to the Brown girls. He was always there for us when we needed him and treated us like we were his own kids. He was a great friend for many, many years to our momma and daddy. We will cherish all the memories of all of our times together and he will be missed dearly. It comforts us to know that Buddie is together again with his old friend. We can just imagine all the 'guitar pickin' going on right about now in Heaven. He will forever be in our hearts.*

“ *Extending my deepest condolences and my sorrow at not being able to attend Buddy's service. Buddy was one of the greatest friendships of my lifetime, I regret that I let it fade with the passing years. We shared jobs in the deepest mudholes of local refineries and closed beer joints after a hard day at work, knowing we would do it all again tomorrow. We were the superstar "opry" player at buddies ranch on the 4th of july. Money could never buy these memories. There are way too many to write. I am so sorry for your loss. My own health problems will not allow me to attend the service but please know that i am thinking of the family. Joe Gaspard jegaspard@yahoo.com*
