“ *its a fact that He gives and takes away. But no matter how much we try to understand why he could take away such a precious little baby so soon, we will never get the answers we need or want. She is an angel next to our Lord & Savior. Miguel & Lyndsey my thoughts, prayers and heart goes out to you three & the rest of your family. I cannot imagine your pain and I pray that He will bless you with strength, peace and comfort. im deeply sorry for your loss.*

“ *Lyndsey, Miguel, & Sydney...I can't even begin to imagine the pain you guys are going through when i heard the news about your baby girl all I could think about was my nephew Gabriel. My world would come to an end if something ever happened to him. Though i didn't get the chance to meet little Harper I still hurt inside because no person deserves to be taken away in such a short period of time. Just know Harper is in a better place & she will always be remembered. I love you guys please know I am constantly praying for you.*

“ We are at total silence for you and your loss, Matthew 19:14
But Jesus said, “Let the little children come to me and do not hinder
them, for to such belongs the kingdom of heaven.”
We love you all and know that Baby Harper will always be a
treasure in our hearts. How very softly she tiptoed into our world
Almost silently; Only a moment she stayed But what an imprint her
footprints have left on our hearts

“ Just left Target and couldn't even look at baby clothes for Ethan because little girl clothes were right there as well. I had to walk away because I used to always look for clothes for her, even before she was born. In those few hours that I held her at the apt, I couldn't help but fall in love with her more and more each minute. My sweet little Harper, even though your time here was short, I miss you more than words can ever express...Jr & Lyndsey- I love y'all and know that you can count on me for anything.
