“ Many times while working on my front lawn, Barbara would stop her van long enough to say “Hi” and ask how our family was doing. I am going to miss that. Her kindness touched our hearts and we will miss her. Our prayers are with David and his family. We pray the comfort of God’s spirit is with you all. Your neighbors, Mike and Fida.

“ *We had the pleasure of worshipping together at Chapel of the Hills in Centerville. Barbara was such an encouragement. She always had a smile on her face and had such a kind spirit. She was a wonderful cook and a favorite at church potluck dinners. I still have her recipe for pecan bread pudding. She had a beautiful home and opened it up one year for the ladies' Christmas party. If you were around Barbara for any length of time at all, you would see the depth of love she had for her family and her Savior Jesus Christ. She will be greatly missed and we are praying for David and the family. Love, Greg and Renee Long*
