“ *I am so sorry that you have lost a loved one. I went to school in Belton with Barbara. We then lost touch & I have not talked or seen her since then. A friend sent me the message about her. My thoughts and prayers are with the family*

“ God knows best is what I was told on October 28, 2006 and November 26, 2006, when I lost my mother and then my brother. I can't say that I know how you feel, but only that I have been there. It's hard to loose a love one. There is not a day that goes by that I don't think about them. But I am here to say that it does get better. It just takes awhile. My faith, family, friends and Co-Workers have helped me. I worked 1st shift with Mrs. Jenkins and she was a wonderful person and friend. I learned alot from her and will always carry her in my heart. My deepest sympathy to the family and you are in my prayers. If there is anything that I can do, anything at all please let me know. Love, Alyce Harrison

“ I am terribly sorry to hear of the loss of Barbara. We grew up together. I'm trying to think, but I think all the way from elementary school. Of course, women get married and change their names so it's not fair. It's harder to keep up with them. She was a great gal and please give my deepest sympathy to each of the family. Please tell Mrs. Haire for me. Thank you.
