“ *I just happened to go online and read the obituaries in the Courier today. I was so saddened to read the news of Barbara. I lived in Willis for 15 years in the 70's and part of the 80's. She lived a few houses down from us. I enjoyed knowing her and her family. I also knew them after I moved away because my parents owned a grocery store and processing plant in Dobbin and they would come to have meat processed. John, you and your family are in my thoughts and prayers.*

“ I was so sorry to hear about Barbara's death. My sincere sympathy goes out to all her family & friends. I worked at the Courier for 26 yrs before retiring, and most of that time Barbara came in every month to run & renew ads. We got to know each other well. She was so proud of her family.& especially loved talking about her precious grandkids! She was thrilled for me when I finally became a grandmother 5 yrs ago! I considered her a friend and I am grateful for having known her & thank God for putting her on my path. Thinking of you all will love, Sue Reese

“ A mother is never easily forgotten, her touch, her smile, her warmth and love. May the beautiful memories of your mother help you heal during this difficult time. You will see her again as Christ has promised that the ones that are sleeping will be awakened again and reunite with their loved one-JOhn 5;28,29
