“ *Barbara was the sweetest person. She didn't know a stranger. Never was an unkind word spoken from her. I had the privilege of doing her hair, on occasion. She was always a joy. She would have given the clothes she was wearing to anyone in need, if she knew about it! Her reach was far. There were so many people that expressed what a wonderful person she was and told me of how she uplifted them! She will be terribly missed. Heaven gained a beautiful soul. My prayers are with the family. May the Lord's comfort and peace wash over the family.*

“ *I will always remember Aunt Barb as one of the most gentle people I've ever known (just like how I remember her mother, my Granny Lee). She was well loved and the Quigleys will miss her sweet spirit. Sending love and hugs to all my cousins. Rest peacefully Aunt Barb!*

“ *Barbara was the kindest, sweetest person I’ve known. I was so blessed to have known her and to have done her hair for the last 10 years. We really understood each other, because we both have to have our hair done. Lol I will truly miss her. I will also miss all the stores of her kids, grandkids, and the fun great grandkids. She was so proud of all of you. I pray that God will give you peace and comfort in this time. Love always Angie Bean*
