“ *Brenda and Travis,*

*I just read about your loss in the Examiner today, and I wanted you to know that I am so very sorry. I wish I could offer words of comfort that would ease your pain, but I'm afraid any words are inadequate for the depth of your sorrow. Please know that I am thinking of you both with love and affection,
Sheila*

Additionally, Donna Caffey, another classmate of Barry's, sends her condolences to you. Please know we celebrate Barry's life with you and rejoice in that he has gone Home to be with our Lord. To you, his family, we send our deepest sympathy in this writing.*

“ Although I had not seen Barry in quite some time it seems like only yesterday we were having fun in drama and playing golf, not that I could play but he sure tried to teach me! I was a couple of years older than Barry but we still hung out together, even worked together at the old West Texas Gas Phillips 66 station. I want you to know that my thoughts and prayers are with you all during this difficult time and I am sure that Barry is smiling down on all of you!

Love ya brother,

Bill

“ Brenda, Travis, Gary & Susan,
We are so very sorry for your loss. It doesn't seem like very long ago at all, that we were running around Wickett & Monahans with Barry & Gary on the buggies and motorcycles when we were all growing up. I have fond memories of those times. Know that you are in our prayers.
