“ *I was really sad when I heard that my grandpa has just passed away,he adored me and wanted me to be there when he passed away. My mom Raquel Urbina did not let me go to see him. He passed away 2015 a day after Thanksgiving that night I kept asking myself God why did you have to take him away I cried and cried nothing could stop me from crying it took me about a week to get over it but it wasn't easy now Martinez family I know how you felt losing your loved one is not easy it wasn't easy for my grandma at his funeral she could not stop crying it just hurt me to see her that sad but as people say he's in a better place now and I know that it's true I adored my grandpa very much I remember all the memories we had the memories like I would go fishing with him I would help him feed the chickens I will feed the dogs and many much things I'm so sorry for your lost they may but may you have many more blessed days*
