“ *Harold,  
We were saddened to hear about Becky. Our prayers and thoughts are with you, Bobby, Thomas Wade and family. I will always remember Becky as one who cared about home, friends and family, ahead of all else. She will be missed.*

“ *Harold & extended family, we are thinking of you and praying for you through this difficult time. If Becky has her way, she's already "cooking" meals in heaven and making sure that things are done just so. We'll all miss her.*
