“ *Benny will be missed, He was Benny, listen and learn. He was a generous man offering information about his knowledge of John Deere equipment. He would stop what he was doing to answer my questions for myself or a customer. Always had a funny story to go a long with it. I knew I could go to him with questions and he was never bothered . Bless you Benny ,may you rest in peace my friend. Thoughts & Prayers for your family. Sandra Mermella & Steve Conner*
