Janet my heart is breaking for you and the kids. Brittany has so many wonderful memories growing up with your family. You were all a huge part of her life. She phoned to tell me as soon as she saw what happened. Bert was such a great father and always there involved with the kids. I know his loss will be felt by so many. Our thoughts and prayers are with each of you. May God give you peace and comfort. Love Travis and Robin Hofstra and family.

We are heartbroken to hear that Bert has passed. He was a true friend to many and he touched so many children's lives as a coach and board member at ORWALL. Janet and family, please know that your husband/father was a wonderful person with a great personality who will be missed by everyone, yet always respected for what he accomplished in such a short time with us all! Love, John and Gail Colwell
