“ *I was so sad to hear of Aunt Bert's passing. I haven't been in this Berry family long, and only met with Bert a few times, but during those times I learned so much of the Berry family history and her personal history; she made me feel a part of the whole family and I learned to embrace the wild child in myself from her. I fell in love with immediately and will miss her stories and the love she gave me in such a short time. Rest in Peace, Miss Bert. I will miss you dearly.*

“ *I am saddened to hear of Mamie's passing. She was such a funny person. You just never knew what she was gonna say or do next. Be thankful that you all had her for such a long time. Her spunk will be greatly missed but her spirit will be everlasting!*
